

DEPARTMENT OF AGRICULTURE
OFFICE OF THE SECRETARY
WASHINGTON

February 21 1966

Admiral William F. Raborn
Director, Central Intelligence Agency
Washington, D. C.

Dear Admiral Raborn:

Upon return from our mission to Honolulu and Viet Nam, I would like to bring to your attention the fine job done by [REDACTED]

STATINTL

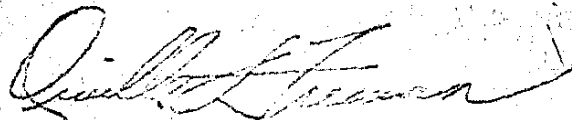

STATINTL

They not only had obviously put considerable time and effort into preparing a well organized, informative briefing but they presented it on their own time on a Sunday afternoon.

Please accept my thanks for the cooperation which your Agency consistently gives to this Department.

I would appreciate your making this commendation of the above-mentioned persons concerned a matter of record in their personnel files.

Sincerely yours,
